

At the doctor's office and don't have your ID card?

Use your digital ID card!

A digital version of your ID card is available through the My MedCost mobile app or on the secure member portal at www.MedCost.com.*

From the app, select the "ID Card" option to see front and back views of your card. And, you can e-mail the card to your provider from the app.

You also can view and print a paper copy of your ID card by logging in to the member portal of the website.

Problem solved - Day saved!

**You will need your group number to set up a secure member account on www.MedCost.com. The Mission Health group number is H01.*

The My MedCost mobile app is free and available for download from iTunes and Google Play.
