

Qpath: Exam Worksheets How To

There are certain 'Exam Types' that will have multiple 'Exam Worksheets' to choose from in Qpath. You will need to choose the most appropriate worksheet to document on, for that type of exam.

In the exam window, you will see a number next to 'Exam Worksheets' if there is more than 1 to choose from.

Clicking on the Exam Worksheets will open up a drop down where you can choose the worksheet you want to document on for this type of exam.

Note: Choosing 'All' will show all worksheets for that type of exam. However, only complete and sign one worksheet.
