

COVID Education Booster

HCA HealthCare Center for Clinical Advancement (HHCCA) NC Division Volume 1 Issue 21 July 23, 2021

Due to increasing cases of COVID, we are implementing new guidance from corporate.

- ◇ Regardless of vaccination status, universal masking is **REQUIRED** in clinical facilities (to include break rooms, conference rooms, etc.)
- ◇ **ALL** patient encounters require universal use of eye protection (face shields or goggle)
- ◇ We will continue the current screening process for all visitors and staff
- ◇ On Tuesday, July 27, visitation will be restricted to **1 visitor per patient per day**. The visitor will be allowed to stay overnight.
